Broughty Ferry Gala Week 2015

Gala Week Headline Sponsor

welcome to gala week 2015

Our magical week is once more about to start on the 5th July 2015. Hopefully this year will be every bit as good as in all the previous successful Gala weeks.

We have even more events than ever, so please come along to join in all the fun. We want to see a really large turnout, the more people appear, the more money and support the traders can give to local charities, such as The Lifeboat, Age Concern, St. Andrews Ambulance, YMCA and The Local Scouts etc. Any surplus funds will go towards the purchase of additional Xmas lights.

Can I take this opportunity to thank all my helpers, organisers and most importantly, all my many friends who have worked so hard in order to make this one of the best Gala weeks ever ?

I would also like to give a very sincere thanks to all our sponsors, a very special thank you to our main sponsor, Graham Baird of Belhaven Brewery. Is it any wonder that Belhaven Best is the number 1 selling beer in Scotland ?

Finally, have a wonderful 2015 Summer, please come down to Broughty Ferry, I look forward to seeing you all again.

Gerry Stewart

Chair Person, Broughty Ferry Community Gala Committee.

St James – The Friendly Ferry Church

2015 is the 125th birthday of St James. Starting out in 1890 as the Beach Mission Church, then becoming the Beach Chapel of Ease in 1899, the Beach Parish Church in 1907 and finally St James Parish Church in 1929 the church is still going strong. As part of the birthday celebrations, the Church and Hall will be open during Gala Week for Rest, Relaxation and Reflection. The Sunday Services at 11am on 5 and 12 July will be very family focused and during the week the Church will be open from noon to 4pm for quiet Reflection and in the Hall you will be able to Rest and Relax with a free cup of tea/coffee or cold drink. A special Golden Monday Café will take place on 6th July with the usual delicious afternoon tea and chair exercises. This is especially for those eligible for a 'bus pass'. YE AMPHIBIOUS ANCIENT BATHING ASSOCIATION 1884

CHARITY NUMBER SCO40107

Ye Amphibious Ancient Bathing Association has been an integral part of Broughty Ferry for over one hundred and thirty years. The club can proudly boast to having club members from well known businesses in Broughty such as Gillies House Furnishers, Goodfellow and Steven Baker's and Coullie the Joiner in their swimming ranks for as far back as 1900.

Today the club has a membership of Ninety and we have a thriving indoor section at St John's High School on a Friday evening from 6-8pm new members always welcome.

Ye Amphibious Ancient Bathing Association will provide swimmers with a supportive environment for personal growth and provide them with first class training opportunities to reach their full potential. Overall we aim to encourage a passion for open water swimming and welcome everyone to our events. Please look at our website especially the Frequently asked Questions to give you further insight into the club.

Our outdoor season began this year on the 19th April and the day was very successful with several new members joining for the first time all with the aspiration to swim across the Tay.

The club has charitable status and it is hard work to keep the club and premises on the harbour going . We are extremely fortunate to have the wonderful support of Broughty Ferry businesses who invest in our New Year Day Dook programme. The Dook is our biggest fundraiser and has become well established over the last twenty year's.

We are always looking out for volunteers especially boat handlers to accompany our swimmers on the river. If anyone is interested we would love to hear from you please contact www.yeaaba.org.uk or call 01382775312.

the legendary window guessing competition

the rules

Broughty Gala Week's *legendary* Window Guessing Competition, first started way back in 1932, and the rules are exactly the same today! All the participating shops and businesses are members of The Broughty Ferry Traders' Association, and have displayed in their windows an article which they do not sell. The object of the competition is for young people (under 14) to look at the windows and discover what the 'odd' article is. For instance in the Baker's shop you might find a teapot or in the newsagent, a paint brush.

Remember, sometimes it will be hard to spot, but children should not go into shops and ask for clues! The participating shops have a Red Diamond with a number on it in their window, which corresponds to the number on the entry form on the following page.
